

# **SUPERINTENDENT SEARCH PROCESS UPDATE**

## **March 2, 2018**

Greetings Milton Town School District Community,

The community survey soliciting input on the desired characteristics of Milton's next superintendent is now closed. Thank you to the 378 participants who completed the survey! I will be analyzing the results from the survey along with the data I collect at the upcoming forums (see below) and presenting a report of my findings to the school board at its meeting on March 12th.

In the meantime, you can **view the results of the survey** at:
