

Connect!

**July 20, 2010
Dear Parents,**

Please note these important program updates:

- **Please send in only *nut-free* snacks. Some of our students have severe allergies.**
- **We have eliminated the two Monday sessions originally scheduled. The program will run for three weeks, Tuesday-Friday.**
- **We have access to digital recording equipment. If you have any objection to your child being videotaped, please send in a note to the teacher to that effect. You can also e-mail Ruth at rmurphy@mtsd-vt.org. If we don't hear from you, we will assume it is okay.**
- **Please keep in mind that our final day, Friday, August 6th, will include a celebration of student work. We would love to have you join us in the MES library at 11 am. More details will follow.**

Thank you for sharing your children!

Sincerely,

The Connect! Staff
