EPIPEN® AND EPIPEN® JR. DIRECTIONS

1. Pull off gray safety cap

2. Place black tip on outer thigh (always apply to thigh)

3. Using a quick motion, press hard into thigh until Auto-Injector mechanism functions. Hold in place and count to 10. The EpiPen® unit should then be removed and discarded. Massage the injection area for 10 seconds.

For children with multiple food allergies, use one form for each food.
